

# Long Gully Canyon (v4a1III\*)

## BUNGONIA STATE CONSERVATION AREA

From National University Caving Club trips 2020-2021. Drafted by  
Lachlan Bailey, version 1.2

Note: Many pitches may be partially or wholly scrambled when the canyon is dry. This topo describes the canyon after moderate, sustained rainfall

Pitch heights are  
rope lengths used,  
estimated in canyon  
from ropes available

NOT TO  
SCALE!
